#### NORTH TIGRE MINE.

The present length of the long No. 8 tunnel is 480 feet. In this tunue! we have more than 400 feet of pay ore. The breast of the tunnel is still in good ore and in fact the ore is improving as we go into the breast of the hill. This tunnel is connected with the surface by a ninety foot shaft eighty feet of which is in pay ore. There is a fifty foot winze from the tunnel which is all in ore.

Work in the two lower tunnels ! being prosecutued by three shifts of miners in each of them.

Excursion a Frost.

The excursion from Bisbee to Deaglas to attend the Ringling circus which showed there yesterday after noon was adecided fallure. Although eight coaches ha obeen provided for their accommodation the excursionists numbered less than one dozen. Bis bee people generally seemed inclined to be a little "sore" on account of the circus passing the city by. The reaon assigned was that the raffroud has would be necessary in handling their rains and the circus men refused to show at Don Luis. This immediate vicinity was therefore passed over.
